SHANDONG SEAKING BOAT CO., LTD.

HIGH QUALITY ALUMINUM BOATS

COUNTRY OF TRANSACTION

FOR THE REPUTATION

Chinese-made aluminum boats probably have always been the synonymous with “roughly-made” in the eyes of some.

“Time To Make A Change!” exclaimed a crowd.

Shandong Seaking Boat Co.,Ltd is a welded aluminum boat manufacturer located in Qingdao, China. With focus on improving quality of boats and redeeming the reputation of Chinese-made boats, Gospel Boat has become the industry leader of the country. Will keep moving forward with strong sense of mission & responsibility.

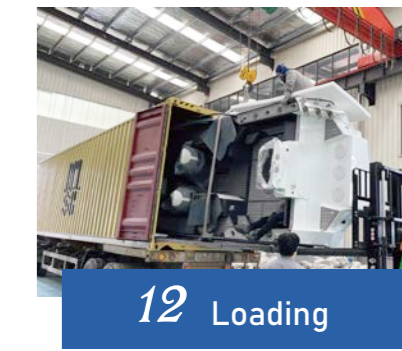

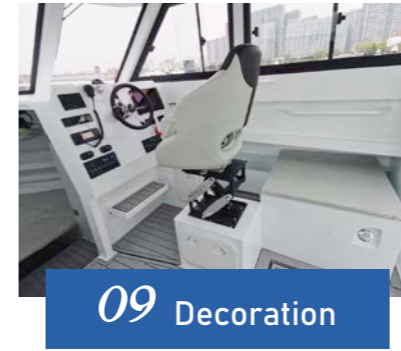

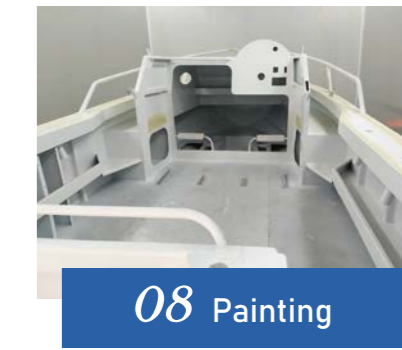

We are looking forward to meeting more discerning customers in the world and we are enjoying the time to work with them to come up with a proposal specification of the boats. It is based on our powerful, self-enhancing belief of our products.

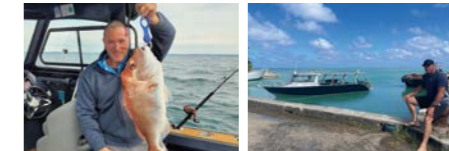

Whether it's a high speed sport boat, a cruise fishing yacht, or a catamaran passenger boat, we build each vessel with marine grade aluminum material which ensure them to be the most operator friendly and best performing vessel.

If you are looking for a most reliable partner of the sea, just come to us. We're excited to help you to enjoy the lifestyle and drive your dreams!

HOUSE BOATS

Houseboats provide an easy escape from the world and a simple way of living. Capable of leaving the dock under power, these boats have hulls, engines, fuel tanks, electrical and ventilation systems, navigational equipment, and everything you would expect from a typical seaworthy vessel.

Move away from that annoying neighbor and anchor yourself next to the park.

CUSTOMIZED VESSELS

Seaking Boat have customized built more than 500 boats and proceed on more than 20 government tender projects. The clients and project engineers & Surveyors are quite happy on our quality and service.
